

JU:MP AWARD PROGRAMME INFORMATION & GUIDANCE

JU:MP is focused on improving the health and wellbeing of children aged 5 – 14 and their families, through physical activity in North Bradford. JU:MP will work with local communities and organisations to increase opportunities for children to be active.

JU:MP is a lottery funded programme with Sport England and has research embedded throughout; testing innovative approaches in order to learn more about what works, sharing its discoveries widely and its approaches to physical activity.

Children say that they want fun, informal activities near to where they live and these are the types of physical activities that we are looking to fund: play, dance, sports, martial arts, games, walking, cycling and exploring the outdoors.
